Dear Co-Chairs:

RE: City of Revelstoke Support for Heliport at Queen Victoria Hospital

I am pleased to provide a letter of support in principle, on behalf of the City of Revelstoke to upgrade the heliport at Queen Victoria Hospital.

It is apparently clear that rapid transport of critically ill and injured patients saves lives. This service is essential to the community. It is time to be proactive and begin to enhance patient care for the residents, tourism and industry sectors and travelling public.

The success of the project will make a difference to this isolated community and its surrounding area.

Sincerely,

Mayor Mark McKee
